

# Poisoned

Omen

Poisoned, Poisoned, taken left behind  
Salvation is screaming,  
Scheming, always dreaming  
You're Poisoned, under you're taken, left behind  
Salvation is screaming,  
Scheming, always dreaming

Watch for the liar  
He'll steal your soul  
They'll take all that you've got  
Now you're left with nothing

Poisoned, Poisoned, you're taken left behind  
Salvation is screaming,  
Scheming, always dreaming  
You're Poisoned, under you're taken, left behind  
Salvation is screaming,  
Scheming, always dreaming

Call them up, up on the phone  
Give them all that you've got  
Savings and your checking account  
Now you're left with nothing

Poisoned, Poisoned, you're taken left behind  
Salvation is screaming,  
Scheming, always dreaming  
You're Poisoned, under you're taken, left behind  
Salvation is screaming,  
Scheming, always dreaming

Yaaaooooowww

Poisoned, Poisoned, you're taken left behind  
Salvation is screaming,  
Scheming, always dreaming  
You're Poisoned, under you're taken, left behind  
Salvation is screaming,  
Scheming, always dreaming

You're Poisoned, under you're taken, left behind  
Salvation is screaming,  
Scheming, always dreaming

You're Poisoned, under you're taken, left behind  
Salvation is screaming,  
Scheming, always dreaming
