

Standing On All Threes

Omi

You got me standing on all threes
Pretty little girl in the short jeans
Right ya now me firmer than a concrete
You make me can't sleep
Cuz you got me standing on all threes
Pretty little girl in d short jeans
Right ya now mi firmer than a concrete
You make me can't sleep

I got you begging for more with a little foreplay
I got you screaming and saying things when no fit for air play,
Sit back relax baby girl this is your day
You deserve the service you, you've earned it its your game
Mek me, pop off the button, let the zipper run down strip tease
No camera, not a publicity stunts
This is a gallery ano museum, reveal
the masterpiece and get a good critique when you done

Mi tek mi time cuz mi no inna no haste
Baby girl them say haste mek waste
Mi move at a slow pace
Make me way down to the waist
You deserve first place because now you got me

You got me standing on all threes
Pretty little girl in the short jeans
Right ya now me firmer than a concrete
You make me can't sleep
Cuz you got me standing on all threes
Pretty little girl in d short jeans
Right ya now mi firmer than a concrete
You make me can't sleep

She teasing me with her innocence
When she pretends as if she depends on my experience
She love it when mi tek control
Fi mek she feel happy seh she de pan d receiving end
She love it when me finger dem a crawl pan r
Make` she wet up like the rain a fall pan r
She love it when me make di water run ina canal
mek she crawl upon the wall,now mi na go stop
Any time you gone a you alone mi truely miss
Mi love it when you mek mi jus a talk bere foolishness
The way mi love it you affi wonder if a coolie this
So give it to mi even if a 2 minutes, cause

You got me standing on all threes
Pretty little girl in the short jeans
Right ya now me firmer than a concrete
You make me can't sleep
Cuz you got me standing on all threes
Pretty little girl in d short jeans
Right ya now mi firmer than a concrete
You make me can't sleep

Standing on all threes
Pretty little girl in the short jeans

Right ya now me firmer than a concrete
You make me can't sleep
Cuz you got me standing on all threes
Pretty little girl in d short jeans
Right ya now mi firmer than a concrete
You make me can't sleep
