Omnia

I'm a blood an' bone heya heya primitive caveman  
I can talk to the trees but I don't speak Human  
Got a heart full of Earth and a head full of Sky  
I got Spirit Drum Wolf Claw Raven's Eye

Crazy Man  
I'm a Crazy Man  
Crazy Man  
Heyoka I'm a Crazy Man

Howling at the moon  
Float on the breeze  
What I respect you just can't see  
I know, I know nothing  
To be is to be  
Shaman or Madman, it's all Heyokay with me

I'm walking backwards  
And I'm talking coyote  
I'm gonna scream so loud  
I can't hear all the monkeys  
Now society is so fucking free of me  
I've got a Chaos Hand  
And it's pointing right at you

I know, I know one thing  
To play is to be  
Shaman or Madman  
It's all Heyokay with me
