more. My eyes are Open and I can see. They can steal the land b
ut My spirit is free

Well it might fool you but it don't fool me They can steal the
land but my spirit is free Well it might fool you but it don't
fool me They can take my cash but they can't take me

DEATH!... Are you ready to die? To make the fat cats rich and s

eping score. All 'o that shit Don't mean a fuckin' thing, 'Caus
e I'm still Standing. I still sing. Democracy, plutocracy Well
it might fool you but it don't fool me

'Cause I'm a native crazy man, I hold my Freedom in my hand. I'
m a dreamer, I'm a Shaman, I'm connected to the land They can't
tell me what to do They can't tell me what to say They can't t
ell me what to smoke They can't tell me what to play

I don't need no one's permission to live my Life 'cause that's
been given. Now I'm the Pope of paganism puttin' the fun back i
ntro Fundamentalism. So if you need someone's Permission to liv
e your life just like you wanna. You have it...here...I give it
to you. Along With this phat bag of marihuana

Wouldn't it be great if there was a war and Nobody came? 'cause
we're too busy making love to play Their insane game They just
wanna work you to death and say 'Arbeit macht frei' Well, fuck
them and fuck their rules and We'll just dance until we die!

Storm winds blow on the golden barley Birds lie dead on the fie
