

Free Bird Fly

Omnia

You're in pain -- That's why I wrote this song for you
You're insane -- That's why I wrote this song for you
You're in pain -- Don't you know this song is about you
You're insane -- But you know this song is about you
Don't you, don't you, don't you know this song is about you
Don't you, don't you, don't you know this song is about you

Free bird fly
Although you think your wings are broken
Free bird fly
'Cause living is more than simply hoping
Free bird fly
There's no excuse you've got to try now
Free bird fly
I know you can do it
So let me see you smile now

Though they beat you down, you get up
Though they beat you down, you get up again

Free bird fly
Take your broken wings and learn to fly
Free bird fly
Take this broken world and make it right
Take your broken wings and fly
Take this broken world and make it right
Take these broken wings and fly
Take this darkest night and make it bright
Free bird fly
