

Oli kaksi kaunokaista
Pienen piilovaaran päässä

Koreassa koivikossa
Heleässä heinikossa

Kotihinsa kumpainenki
Kahen rakkahan välillä

Jo meistä ero tulevi
Poieslähto lohtullinen

There were two fair ones
Sheltered by piilovaara hill
In a beautiful birch wood
In the soft grass

Soon we'll have to part
Hearts full of sweet sorrow
To go our separate ways
Between two loves

I don't know just what you're singing
Do you love me, do you care?
Mesmerized within your eyes
Yet something tells me to beware
I don't know anything
Your song it drives me to despair
When I turn around to hold you
I'm alone , you're not there....
