Ancient runes burn inside
Flying high on sacred wings
Ancient gods laugh within me
Screaming loud I sing

Ta!
Mighty Odin , I Invoke thee
Ra!
Let your lightning split the sky
Nis!
Son of Wotan swing your hammer
WOOARGH!
Bring it on!

Taranis Jupiter Donar Odin Wotan...
TA! RA! NIS!

Holy light shines in my eyes
Thunder rolls all around
Lightning crashes from the sky
Harken to the pagan sounds

Wheel of thunder shake the land
Jupiter majestic eagle
Bring it on!
