Omnium Gatherum

Fly  
Deeper  
Fly  
Higher in to the ground

I'll take this one unto you  
And show how its done  
Take this one unto me  
And be gone

Getting lonely with us are you not

Higher  
In to the ground  
Deep sound

Deeper  
In to the ground  
High is the sound

So

Fly  
Deeper  
Higher
