

# Don't Stop

## One Chance

I was runnin' after women, women all the time  
Hittin' it and quittin' it, that was me  
Settling down never crossed my mind  
It was all about me havin' two or three

And the fact that you got me got me opened up  
And da homies askin', whats up?  
'Cuz my conversation only be 'bout you  
Girl, I don't know what to do but

Don't stop, baby, keep it comin', come on  
Don't stop, got trippin', baby, you got me gone  
Don't stop, I need it, girl, don't take it away  
'Cuz I can't start my day without the way that you play

Don't stop, you know how I like it  
I be so excited, oh, oh, baby girl, I'm tellin' ya  
I need it on the regular, you just keep it hot, keep it hot  
Baby, don't stop

It's crazy, how I always always think of us  
When all I use to think 'bout was me  
When from spendin' all my doe up in da club  
To spendin' it on anything you need

Ain't never been like like this before  
Can't never go back back, not no more  
I'm tryna fight but I can't  
(No, no)  
'Cuz girl, I ain't got nothin' left but

Don't stop, baby, keep it comin', come on  
Don't stop, got trippin', baby, you got me gone  
Don't stop, I need it, girl, don't take it away  
'Cuz I can't start my day without the way that you play

Don't stop, you know how I like it  
I be so excited, oh, oh, baby girl, I'm tellin' ya  
I need it on the regular, you just keep it hot, keep it hot  
Baby, don't stop

(I can't sleep)  
If you wait in the bed wit me  
Keepin' me company

(You got me)  
Got me doin' all them things that a player suppose to  
(You make me change my ways)  
And it don't matter what nobody go and say  
(Oh no)

'Cuz the only thing I'm thinkin' 'bout is you  
(Thinkin' 'bout is you)  
So don't stop doin' what you do  
(Doin' what you do)

Don't stop, baby, keep it comin', come on

Don't stop, got trippin', baby, you got me gone  
Don't stop, I need it, girl, don't take it away  
'Cuz I can't start my day without the way that you play

Don't stop, you know how I like it  
I be so excited, oh, oh, baby girl, I'm tellin' ya  
I need it on the regular, you just keep it hot, keep it hot  
Baby, don't stop
