

# Me And You

## One Chance

Imagine this mhmhmhmhmhmhm yay  
(Imagine this)  
Lights down low  
Rob big show you with no panties on (imagine this)  
Beast in the sheets when I reach my peak  
No one can stop me in my zone  
R-kells on blast bumping and grinding  
I know that's your favorite song (imagine this)  
But I gotta know if your down with me  
Cause I don't wanna feel crazy (no)  
If I give you all of me  
Loving ya baby if ya really ain't in it oh my lover  
@ my love twitter your love  
Let's make it world wide  
But please let me know if your down baby

Look me in my eyes  
Tell me what your feeling  
Is it me and you  
I need to know if your willing  
To go all the way way  
I don't wanna look crazy (don't)  
(Wanna look) look crazy (I) (don't)  
(Wanna look) look crazy

(Imagine this)  
Foldgers in ya cup  
Breakfast in bed  
How ya like ya sausage and eggs (imagine this)  
All filled up  
Let's hit the shower  
Let's call ya boss  
You taking off  
Tell him But I gotta know if your down with me  
Cause I don't wanna look crazy (no)  
If I give you all of me  
Loving ya baby if you really ain't in it oh my love

But please let me know if your ready

Keep it real baby  
Don't play with me  
Get ya night clothes

Ignore all them calls cut ya phone off  
Get rid of that bra take ya thong off  
Late night rendezvou we on fluid  
Like brand new box of nike  
Me and you just do it

Shawty you a cutey man I swear I'm bout to lose it  
Open up and let the drive in like a movie

And you only get one chance to prove it  
I can't wait for that sexual contact

Bedroom war gang sexual combat  
I only got one night in town  
Break down or be clowned  
Baby call are you down?
