

# Back for You

One Direction

Whenever I close my eyes, I picture you there  
I'm looking out at the crowd, you're everywhere

I'm watching you from the stage yeah  
Your smile is on every face now  
But every time you wake up  
You're hearing me say  
Goodbye

Baby, you don't have to worry  
I'll be coming back for you, back for you,  
back for you, you-u-u-u  
Lately, I've been going crazy  
So I'm coming back for you, back for you,  
back for you, you-u-u-u

I've never been so into somebody before  
And every time we both touch I only want more  
So tell me nothing's going to change yeah  
And you won't walk away yeah  
Cause even though every night you'll know what I'll say

Goodbye.

Baby, you don't have to worry  
I'll be coming back for you, back for you,  
back for you, you-u-u-u  
Lately, I've been going crazy  
So I'm coming back for you, back for you,  
back for you, you-u-u-u

Right back for you  
Right back for you  
Right back for you

Lately, I've been going crazy  
So I'm coming back  
Yeah I am coming back

For you yeah

Baby, you don't have to worry  
I'll be coming back for you, back for you,  
back for you, you-u-u-u  
Lately, I've been going crazy  
So I'm coming back for you, back for you,  
back for you, you-u-u-u

Right back for you, right back  
Right back for you, right back  
Right back for you, right back  
Right back for you-u-u-u.

Lately, I've been going crazy  
So I'm coming back for you, back for you,  
back for you, you-u-u-u.
