

# C'mon, C'mon

One Direction

C'mon c'mon

The one that I came with, she had to go  
But you look amazing, standing alone

So c'mon, c'mon move a little closer now  
C'mon, c'mon it ain't no way of walking out  
C'mon, c'mon show me what you're all about

Yeah, I've been watching you all night  
There's something in your eyes  
Sayin c'mon, c'mon and dance with me, baby  
Yeah, the music is so loud  
I wanna be yours now  
So c'mon, c'mon and dance with me, baby

The one that I came with didn't know how to move  
The way that you let your hair down, I can tell that you do

So c'mon, c'mon move a little closer now  
C'mon, c'mon it ain't no way of walking out  
C'mon, c'mon show me what you're all about

Yeah, I've been watching you all night  
There's something in your eyes  
Sayin c'mon, c'mon and dance with me, baby  
Yeah, the music is so loud  
I wanna be yours now  
So c'mon, c'mon and dance with me, baby

Every step I take, I feel it more and more  
She is calling out, she's a lucky girl  
My heart is racing, she is turning around  
I reach for her hand and I say

Yeah, I've been watching you all night  
There's something in your eyes  
Sayin c'mon, c'mon and dance with me, baby  
Yeah, the music is so loud  
I wanna be yours now  
So c'mon, c'mon and dance with me, baby

C'mon c'mon, c'mon c'mon  
C'mon c'mon and dance with me, baby
