

Clouds

One Direction

I know you say
That you don't like it complicated
That we should try to keep it simple
But love is never ever simple, no

Someday, you're gonna see the things that I see
You're gonna want the air that I breathe
You're gonna wish you never left me

Here we go again
Another go-round for all of my friends
Another non-stop, will it ever end
Here we go again
Another go-round for all of my friends
Another non-stop, will it never end
We're never coming back down
Yeah, we're looking down on the clouds

I know you said, that you don't like it complicated
That you are tired of all the changes
Well love is always, always changing, oh

Someday, you're gonna see the things that I see
You're gonna want the air that I breathe
You're gonna wish you never left me

Here we go again
Another go-round for all of my friends
Another non-stop, will it ever end
Here we go again
Another go-round for all of my friends
Another non-stop, will it never end
We're never coming back down
Yeah, we're looking down on the clouds

And we go, and we go, and we go
And we don't stop
But we don't, no we don't
No we don't ever grow up

Here we go again
Another go-round for all of my friends
Another non-stop will it ever end
