

# End of the Day

One Direction

I told her that I loved her  
was not sure if she heard  
The roof was pretty windy  
And she didn't say a word  
Party died downstairs, had nothing left to do  
Just me, her and the moon

I set you on fire babe  
And down came the lightning on me  
Love can be frightening for sure

All I know at the end of the day is you want what you want and you say what  
you say  
And you're follow your heart even though it'll break  
Sometimes...

All I know at the end of the day is you love who you love  
There ain't no other way  
If there's something I've learnt from a million mistakes  
You're the one that I want at the end of the day

At the end of the day  
You're the one that I want at the end of the day

Sure the night was over, I said it's forever  
Twenty minutes later wound up in the hospital  
The priest thinks it's the devil  
My mum thinks it's the flu  
But girl it's only you

I set you on fire babe  
And down came the lightning on me  
Love can be frightening for sure

All I know at the end of the day is you want what you want and you say what  
you say  
And you're follow your heart even though it'll break  
Sometimes

All I know at the end of the day is you love who you love  
There ain't no other way  
If there's something I've learnt from a million mistakes  
You're the one that I want at the end of the day

When the sun goes down I know that you and me and everything will be alright  
And when the city's sleeping  
You and I can stay awake and keep on dreaming  
You and I can stay awake and keep on dreaming...

All I know at the end of the day is you want what you want and you say what  
you say  
And you're follow your heart even though it'll break  
Sometimes

All I know at the end of the day is you love who you love  
There ain't no other way  
If there's something I've learnt from a million mistakes  
You're the one that I want at the end of the day

At the end of the day

You're the one that I want at the end of the day  
You're the one that I want at the end of the day
