

# Fool's Gold

One Direction

I'm like a crow on a wire  
You're the shining distraction that makes me fly, oh  
I'm like a boat on the water  
You're the rays on the waves that calm my mind  
Oh, every time

But I know in my heart  
You're not a constant star

And, yeah, I let you use me from the day that we first met  
But I'm not done yet  
Falling for your fool's gold  
And I knew that you turned it on for everyone you met  
But I don't regret  
Falling for your fool's gold

I'm the first to admit that I'm reckless  
I get lost in your beauty and I can't see  
Two feet in front of me

And I know in my heart  
You're just a moving part

And, yeah, I let you use me from the day that we first met  
But I'm not done yet  
Falling for your fool's gold  
And I knew that you turned it on for everyone you met  
But I don't regret  
Falling for your fool's gold

Yeah, I know your love's not real  
That's not the way it feels  
That's not the way you feel

And, yes, I let you use me from the day that we first met  
But I'm not done yet  
Falling for your fool's gold  
And I knew that you turned it on for everyone you met  
But I don't regret  
Falling for your fool's gold
