

Girl Almighty

One Direction

Her light is as loud as as many ambulances
As it takes just to save a savior, oh
Woah, woah, woah

No, she floats through the room on a big balloon
Some say she's such a fake
That her love is made up, no
No, no, no

Let's have another toast to the girl almighty
Let's pray we stay young, stay made of lightning

Am I the only
Only believer?
(da da da da)
There's something happening here
There's something happening here
The only, only believer
There's something happening here
I hope you feel what I'm feeling too
I'd get down, I'd get down
I'd get down on my knees for you
I'd get down, I'd get down
I'd get down on my knees
I'd get down on my knees for you
