

# Happily

One Direction

You don't understand, you don't understand  
What you do to me when you hold his hand  
We were meant to be, but it's just a fade  
Made it so we had to walk away  
'Cause we're on fire, we're on on fire  
We're on fire now  
Yeah, we're on fire, we're on on fire  
We're on fire now

(1, 2, 3)

I don't care what people say when we're together  
You know I wanna be the one who hold you when you sleep  
I just want it to be you and I forever  
I know you wanna leave so come on baby be with me so happily

It's 4am, and I know that you're with him  
I wonder if he knows that I touched your skin  
And if he feels my traces in your hair  
I'm sorry love but I don't really care  
'Cause we're on fire, we're on on fire  
We're on fire now  
Yeah, we're on fire, we're on on fire  
We're on fire now

So happily
