## I Wish

## **One Direction**

He takes your hand I die a little I watch your eyes And I'm in little Why can't you look at me like that When you walk by I try to say it But then I freeze And never do it My tongue gets tight The words can't trade I hear the beat of my heart getting louder Whenever I'm near you R: But I see you with him slow dancing Tearing me apart Cause you don't see Whenever you kiss him I'm breaking, Oh how I wish that was me He looks at you The way that I would Does all the things, I know that I could If only time, could just turn back 'Cause I got three little words That I've always been dying to tell you R: But I see you... Feel with my hands on your waist While we dance in the moonlight I wish it was me That you call in your room Cause you wanna say good night Cause I see you with him slow dancing Tearing me apart Cause you don't see R1: But I see you with him slow dancing Tearing me apart Cause you don't see Whenever you kiss him I'm breaking, Oh how I wish Oh how I wish Oh how I wish, that was me Oh how I wish, that was me
