

Last First Kiss

One Direction

Baby I, I wanna know
Whatcha think when you're alone
Is it me, yeah
Are you thinkin' of me, yeah
Oh

We've been friends now for awhile
Wanna know that when you smile
Is it me, yeah
Are you thinkin' of me, yeah
Oh oh

Girl what would you do
Would you wanna stay
If I were to say
I wanna be last, yeah
Baby let me be your
Let me be your last first kiss
I wanna be first, yeah
Wanna be the first to take it all away like this
And if you
Won't let ooh
I wanna be last, yeah
Baby let me be your last
Your last first kiss
Baby tell me would it change
I'm afraid you'll run away
If I tell you
What I've wanted to tell you, yeah
Maybe I just gotta wait
Maybe this is a mistake
I'm a fool, yeah
Maybe I'm just a fool, yeah
Oh oh

Girl what would you do
Would you wanna stay
If I were to say
I wanna be last, yeah
Baby let me be your
Let me be your last first kiss
I wanna be first, yeah
Wanna be the first to take it all away like this
And if you
Won't let ooh
I wanna be last, yeah
Baby let me be your last
Your last first kiss
(Your last first kiss)
Your last first kiss
(Your last first kiss)
Girl what would you do
Would you wanna stay
If I were to say
(Your last first kiss)

I wanna be last, yeah

Baby let me be your
Let me be your last first kiss
I wanna be first, yeah
Wanna be the first to take it all away like this
And if you
Won't let ooh
I wanna be last, yeah
Baby let me be your last
Your last first kiss
I wanna be last, yeah
Baby let me be your last
Your last first kiss
I wanna be last, yeah
Baby let me be your last
