Little Things

One Direction

- 1. Your hand fits in mine Like it's made just for me But bear this in mind It was meant to be And i'm joining up the dots With the freckles on your cheeks And it all makes sense to me
- 2. I know you've never loved The crinkles by your eyes When you smile, You've never loved Your stomach or your thighs The dimples in your back At the bottom of your spine But i'll love them endlessly
- R: I won't let these little things
 Slip out of my mouth
 But if I do
 It's you
 Oh it's you
 They add up to
 I'm in love with you
 And all these little things
- 3. You cant go to bed
 Without a cup of tea
 And maybe that's the reason
 That you talk in your sleep
 And all those conversation
 Are the secrets that I keep
 Though it makes no sense to me

I know you've never loved the sound of your voice tape You know want to know how much weigh You still have to squeeze into your jeans But you're perfect to me

R1: I won't let these little things
Slip out of my mouth
But if it's true
It's you
Oh it's you
They add up to
I'm in love with you
And all these little things

You'll never love yourself
Half as much as I love you
You'll never treat yourself right darling
But I want you to
If I let you kno-o-o-w
I'm here for you
Maybe you'll love yourself like I love you
Oh..

- R2: And I've just let these little things
 Slip out of my mouth
 'cause it's you
 Oh it's you
 It's you
 They add up to
 And i'm in love you
 And all these little things
- R3: I won't let these little things
 Slip out of my mouth
 But if it's true
 It's you
 it's you
 They add up to
 I'm in love with you
 And all these little things
