

More Than This

One Direction

1. I'm broken, do you hear me
I'm blinded, cause you're everything I see
I'm dancing, alone
I'm praying, that your heart will just turn around

And as I walk up to your door,
my head turns to face the floor,
Cause I can't look you in the eyes and say

R: When he opened his arms and hold you close tonight,
it just don't feel right, cause I can't love you more than this -
yeah
When he lays you down I might just die inside,
it just don't feel right, cause I can love you more than this
Can love you more than this

2. If I'm louder, would you see me
Would you lay down, in my arms and rescue me?
Cause we are, the same
You saved me, when you leave it's gone again

And then I see you on the street
In his arms, I get weak
My body feels I'm on my knees - praying

R1: When he opened his arms and hold you close tonight,
it just don't feel right, cause I can't love you more than this -
yeah
When he lays you down I might just die inside,
it just don't feel right, cause I can love you more than this

I've never had the words to say
But now I'm asking you to stay
For a little while inside my arms
And as you close your eyes tonight
I pray that you will see the light
That's shining from the stars above

R2: When he opened his arms and hold you close tonight,
it just won't feel right, cause I can love you more than this - yeah
Cause I can love you more than this
When he lays you down I might just die inside,
it just won't feel right, cause I can love you more than this - yeah

R3: When he opened his arms and holds you close tonight,
it just won't feel right, cause I can love you more than this - yeah
When he lays you down I might just die inside,
it just don't feel right, cause I can love you more than this
Can love you more than this.
