## **Night Changes**

**One Direction** 

Going out tonight Changes into something red Her mother doesn't like that kind of dress Everything she never had she's showing off

Driving too fast Moon is breaking through her hair She's heading for something that she won't forget Having no regrets is all that she really wants

We're only getting older, baby And I've been thinking about it lately Does it ever drive you crazy Just how fast the night changes? Everything that you've ever dreamed of Disappearing when you wake up But there's nothing to be afraid of Even when the night changes It will never change me and you

Chasing it tonight, Doubts are running 'round her head He's waiting, hides behind a cigarette Heart is beating loud, and she doesn't want it to stop

Moving too fast Moon is lighting up her skin She's falling, doesn't even know it yet Having no regrets is all that she really wants

We're only getting older, baby And I've been thinking about it lately Does it ever drive you crazy Just how fast the night changes? Everything that you've ever dreamed of Disappearing when you wake up But there's nothing to be afraid of Even when the night changes It will never change me and you

Going out tonight Changes into something red Her mother doesn't like that kind of dress Reminds her of the missing piece of innocence she lost

We're only getting older, baby And I've been thinking about it lately Does it ever drive you crazy Just how fast the night changes? Everything that you've ever dreamed of Disappearing when you wake up But there's nothing to be afraid of Even when the night changes It will never change, baby It will never change, baby It will never change me and you Tištěno z www.txp.cz
