One Thing

One Direction

```
1. I've tried playing it cool
   Girl when I'm looking at you
   I can never be brave
   Cause you make my heart race

   Shot me out of the sky
   You're my krypto-nite
   You keep making me weak
   Yeah, frozen and can't breathe

*: Some things gotta give now
   Cause I'm dying just to make you see
   That I need you here with me now
   Cause you've got that one thing

R: So get out, get out, get out of my head
   And fall into my arms in-stead
   I don't, I don't, don't know what it is
   But I need that one thing
   And you've got that one thing

2. Now I'm climbing the walls
   But you don't notice at all
   That I'm going out of my mind
   All day and all night

*: Some things gotta give now
   Cause Im dying just to know your name
   And I need you here with me now
   Cause you've got that one thing

R1: So get out, get out, get out of my head
    And fall into my arms instead
    I don't, I don't, don't know what it is
    But I need that one thing

R2: So get out, get out, get out of my mind
    And come on, come into my life
    I don't, I don't, don't know what it is
    But I need that one thing
    And you've got that one thing

Ohhh
Ohhh
Ohhh

You've got that one thing
Get out, get out, get out of my head
and fall into my arms instead

R1: So get out, get out, get out of my head...

R2: So get out, get out, get out of my mind...
