## **Over Again**

## **One Direction**

Said I'd never leave her cause her hands fit like my T-shirt, Tongue tied over three words, cursed. Running over thoughts that make my feet hurt, Bodies intertwined with her lips

Now she's feeling so low since she went solo Hole in the middle of my heart like a polo And it's no joke to me So we can we do it all over again

If you're pretending from the start like this, With a tight grip, then my kiss Can mend your broken heart i might miss everything you said to me

And i can lend you broken parts That might fit like this And i will give you all my heart So we can start it all over again

Can we take the same road two days in the same clothes And i know just what she'll say if i make all this pain go Can we stop this for a minute You know, i can tell that your heart isn't in it or with it

Tell me with your mind, body and spirit I can make your tears fall down like the showers that are British Whether we're together or apart We can both remove the masks and admit we regret it from the start

If you're pretending from the start like this,...

And i can lend you broken parts...

You'll never know how to make it on your own And you'll never show weakness for letting go I guess you're still hurt if this is over But do you really want to be alone?

If you're pretending from the start like this,...

And i can lend you broken parts...

If you're pretending from the start like this,...

And i can lend you broken parts...
