Steal My Girl

One Direction

She's been my Queen since we were sixteen We want the same things We dreams the same dreams Alright, Alright

I got it all 'cause she is the one Her mom calls me love Her dad calls me son Alright, Alright

I know, I know, I know for sure

Everybody wanna steal my girl
Everybody wanna take her heart away
Couple billion in the whole wide world
Find another one
'Cause she belongs to me

Everybody wanna steal my girl
Everybody wanna take her heart away
Couple billion in the whole wide world
Find another one
'Cause she belongs to me

Na na, she belongs to me

Kisses like queen Her walk is so mean And every jaw drop when she's in those jeans Alright, Alright

I don't exist if I don't have her The sun doesn't shine The world doesn't turn Alright, Alright

But I know, I know, I know for sure

Everybody wanna steal my girl
Everybody wanna take her heart away
Couple billion in the whole wide world
Find another one
'Cause she belongs to me

Everybody wanna steal my girl
Everybody wanna take her heart away
Couple billion in the whole wide world
Find another one
'Cause she belongs to me

Na She knows, she knows
That I never let her down before
She knows, she knows
That I'm never gonna let another take her love for
me now

Everybody wanna steal my girl
Everybody wanna take her heart away
Couple billion in the whole wide world
Find another one
'Cause she belongs to me

Everybody wanna steal my girl
Everybody wanna take her heart away
Couple billion in the whole wide world
Find another one
'Cause she belongs to me
