

Summer Love

One Direction

Yeah, ohh oh, ohh oh.
Can't believe you're packing your bags
Trying so hard not to cry
Had had the best time and now it's the worst time
But we have to say goodbye.

Don't promise that you're gonna write
Don't promise that you'll call
Just promise that you won't forget that we had it all

Cause you were mine for the summer
Now we know it's nearly over
Feels like snow in September
But I'll always remember
You were my summer love
You always will be my summer love

Wish that we could be alone
We could find some place to hid
Make the first time just like the first time
Push a button and rewind.

Don't say the word that's on your lips
Don't look at me that way
Just promise you'll remember when the sky is grey

Cause you were mine for the summer...

So please don't make this any harder
We can't take this any further
And I know there's nothing that I wanna change
To change

Cause you were mine for the summer
Now we know it's nearly over
Feels like snow in September
But I'll always remember
You were my summer love (summer love)
You always will be my summer love (summer love)
You always will be my summer love
You always will be my summer love
