

Tell Me A Lie

One Direction

Can't ever get it right
No matter how hard I try
And I've tried
Well, I put up a good fight
But your words cut like knives
And I'm tired

As you break my heart again this time
Tell me I'm a screwed up mess
That I never listen listen
Tell me you don't want my kiss
That you're needing distance distance

Tell me everything but don't you say he's what you're missing baby
If he's the reason that you're leaving me tonight
Spare me what you think
Tell me a lie.

Well, you're the charming type
That little twinkle in your eye
Gets me every time
And well there must have been a time
I was a reason for that smile
So keep in mind

As you take what's left of you and I
Tell me I'm a screwed up mess
That I never listen listen
Tell me you don't want my kiss
That you're needing distance distance

Tell me everything but don't you say he's what you're missing baby...

Tell me I'm a screwed up mess
That I never listen listen
Tell me you don't want my kiss
That you're needing distance distance

Tell me everything but don't you say he's what you're missing baby...
