

They Don't Know About Us

One Direction

People say we shouldn't be together
Were too young to know about forever
But I say, they don't know what they talk talk talkin' about

'Cause this love is only getting stronger
So I don't wanna wait any longer
I just wanna tell the world that your mine girl
Oh

They don't know about the things we do
They don't know about the I love you's
But I bet you if they only knew
They would just be jealous of us
They don't know about the up all nights
they dont know I've waited all my life
Just to find a love that feels this right

Baby they don't know about
They don't know about us

One touch and I was a believer
Every kiss it gets a little sweeter
It's getting better
Keeps getting better all the time girl

They don't know about the things we do
They don't know about the I love you's
But I bet you if they only knew
They would just be jealous of us
They don't know about the up all nights
They don't know I've waited all my life
Just to find a love that feels this right

Baby they don't know about
They don't know about us

They don't know how special you are
They don't know what you've done to my heart
They can say anything they want
'Cause they don't know about us

They don't know what we do best
It's between me and you our little secret

But I wanna tell em'
I wanna tell the world that your mine girl

They don't know about the things we do
They don't know about the I love you's
But I bet you if they only knew
They would just be jealous of us
They don't know about the up all nights
They don't know I've waited all my life
Just to find a love that feels this right

Baby they don't know about
They don't know about us

They don't know about the things we do
They don't know about the I love you's
But I bet you if they only knew
They would just be jealous of us
They don't know about the up all nights
They don't know I've waited all my life
Just to find a love that feels this right

Baby they don't know about
They don't know about us

They don't know about us
They don't know about us
