

# All That's Best In You

One Less Reason

"Ok...This is all that's best in you, a song for Elizabeth"

You've grown so much, you've come so far  
I never thought we'd end up here  
You know I've seen this picture before  
Reminds me of when you were home

Sometimes you're all I see  
Sometimes you're all I feel

Wanted to tell you goodbye  
And know that you're safe  
Now that the pain is gone,  
The love remains  
Though all my faults turn out to be so true  
I couldn't see...  
All that was best in you  
All that was best in you

Worked so hard it broke your heart  
Robbed you of your smile that would save the world  
A friend now more for a friend I lost  
A friend that never left me unsure  
I am sure

Wanted to tell you I lied  
Oh, I made mistakes  
And when I failed in life it was you I blamed  
Though all my faces you could see right through  
I couldn't see...  
All that was best in you

You are my hope (I'm giving in)  
You are the ink under my skin  
You are the day that I awake  
You'd be the only chance I'd take  
All I am and was before  
The things I love and I adore  
My handful of hope and a little more

Wanted to tell you I tried  
To make it ok  
With just one letter gone I lost the name  
Of that little boy smiling back at you  
He couldn't see all that was best in you.

"That's it"
