

Ghost

One Less Reason

We Held Our Breath
And Tried To Tow the Line
Now it's All a Memory
It's Getting Better All Time
I'd Rather Change the World
Than How I Feel Inside
You Had Your Mothers Broken Heart
Your Fathers Laughing Eyes

Now I Write Words Down for Ghost
And I Couldn't Help But Notice
Was That Just Goodbye
You Know I Couldn't Tell
A Heart That's made of Gold
Doesn't Mean That it's For Sale
You Taught Me How to Love
And Set Me Up to Fail
Gave Me Prayers Without the Words
A Cross Without The Nails
And Let Me Go

We Said We'd Try to Win
Or We Would Lose it All
Left You In The Sunshine
But Missed You Most of Fall
And All Those Little Things That
Seem to Take to Long
Said a Million Times I Loved You
But Only in A Song

Now I Just Can't Find The Notes
And I Couldn't Help But Notice
Was That Just Goodbye
You Know I Couldn't Tell
A Heart That's made of Gold
Doesn't Mean That it's For Sale
You Taught Me How to Love
And Set Me Up to Fail
Gave Me Prayers Without the Words
A Cross Without The Nails
I'm Just Getting Fine Wont You Save Me Now

It Was Enough to Make It Right
Just Not Enough to Save Your Life
Was it Hard Enough to Know
That You Would Never Make it Home
I'm Just Getting Fine Wont You Save Me
I'm Just Getting Fine Wont You Save Me
I'm Just Getting Fine Wont You Save Me Now

And I Couldn't Help But Notice
Was That Just Goodbye
You Know I Couldn't Tell
A Heart That's made of Gold
Doesn't Mean That it's For Sale
You Taught Me How to Love
And Set Me Up to Fail

Gave Me Prayers Without the Words
A Cross Without The Nails
And Let Me Go

I'm Just Getting Fine Wont You Save Me
I'm Just Getting Fine Wont You Save Me
I'm Just Getting Fine Wont You Save Me Now
Yeah Yeah Yeah
I'm Just Getting Fine Wont You Save Me
I'm Just Getting Fine Wont You Save Me
I'm Just Getting Fine Wont You Save Me Now
