

Join The Ranks

One Man Army

Join the ranks join the fight here we all are united in a plight
t for doing what you wanna do let the truth be told they're mad
e from the mold tied down against their will what do they know
I'll tell you nothing Join the ranks up with the strife because
you're in the days where youth wins the fight f**k what they'r
e telling you you aint like them could you ever be one you're a
problem and a nowhere what do they know exactly what they've b
een told Join the ranks join the fight here we all are united i
n a plight for doing what you wanna do you aint like them could
you ever be one you're a problem and a nowhere what do they kn
ow exactly what they've been told.
