

## She Wants Me Dead

One Man Army

Oh No Not Again  
I've Cut Myself  
Far Too Deep  
With The Glass On The Floor  
I Broke Last Night  
I'm In Trouble So We Don't Speak  
And When I Call The Phone Just Rings  
You'd Take My Eyes Out If You Could  
I Know You Would  
It's The Same Mistake  
I'll Always Make...I Lost My Head  
And Now You Want Me Dead  
I Must Take Leave My Love  
For A Few Nothin' More  
Till I'm Singing In The Drink  
She Wants Me Dead
