

All I Want

One Night Only

If your heart don't work, then you won't get hurt
Say goodbye, such a shame, say goodbye
My hits don't hurt, or my words don't work
Say goodbye, don't you cry, don't you cry.
Cause I believe, cause I, believe.

All I want is something to believe in,
Even if it's just to hear your name.
All I want is what you've got me feeling lately.
Please don't let me throw it all away.

Speak how you feel, so the words sound real,
Don't you lie, such a shame, such a shame.
If my hits don't hurt, or my words don't work,
Say goodbye. Don't you cry, don't you cry.
Cause I believe, cause I, believe.

All I want is something to believe in,
Even if it's just to hear your name.
All I want is what you've got me feeling lately.
Please don't let me throw it all away.

Speak how you feel, speak how you feel.
Speak how you feel so the words sound real,
Speak how you feel, speak how you feel.
Speak how you feel so the words sound real.
