

## Daydream

### One Night Only

Have you ever questioned life?  
Have you taken it for granted?  
Life goes up and down  
And around and around and around  
What's round the corner?  
I can't tell you

Do you ever daydream? I do  
I wanna share it with you  
Can I have a daydream with you?  
Who needs sleep when you're around?

I'm dreaming

Have you ever questioned love?  
For all the times you've been hurt  
I've not got time for up and down  
And around and around  
Don't pretend you don't care, oh...

Do you ever daydream? I do  
I wanna share it with you  
Can I have a daydream with you?  
Who needs sleep when you're around?

I'm dreaming  
I'm dreaming  
Dreaming

Do you ever daydream? I do  
I wanna share it with you  
Can I have a daydream with you?
