## **Feeling Fine**

## **One Night Only**

You say you're alone, oh, oh All on your own I'll never know why Where do you turn, oh, oh Where do you turn? I'll never know why Wherever you go, oh, oh Wherever you go I'll never know why When will you learn, oh, oh I don't know I'll never know She'll never believe me She knows that I'm running out of time But time is a healer I'm trying to get her off my mind She'll never believe me She knows that I'm running out of time But time is a healer Tomorrow I know I'm feeling fine You say that I'm wrong, oh, oh Everything's wrong I'll never know why Now that I'm gone, oh, oh Everything's gone You'll never know why Feeling so cold, oh, oh Out in the cold I'll never know why When will you learn, oh, oh I don't know I'll never know She'll never believe me She knows that I'm running out of time But time is a healer I'm trying to get her off my mind She'll never believe me She knows that I'm running out of time But time is a healer Tomorrow I know I'm feeling fine I'm trying to get her off my mind She'll never believe me She knows that I'm running out of time But time is a healer Tomorrow I know I'm feeling fine Tomorrow I know I'm feeling fine Tomorrow I'm feeling fine
