

# Forget My Name

One Night Only

So you want to be famous?  
I'll tell you something,  
You've got to get away  
I need some time in the sunshine somewhere  
You need the sun and the sea  
And your golden hair

You can dance  
You can dance all night, yeah  
And I'll be leaving  
As soon as the sun comes up  
Are you gonna come with me someday?  
I'm going, I'm going

You know we're going to burn out this way  
But we'll be lighting the sky  
Tell me you wanna be famous someday  
I see the look in your eye  
You know we're going to burn out this way  
But we'll be lighting the sky  
On and on, we keep on dreaming  
In the end, you won't forget my name  
You won't forget my name

Caught up in all of the action  
We're in the middle of streets  
Of painted gold  
Have you seen the reaction lately  
Of all the people we left  
Behind back home?

You can dance  
You can dance all night, yeah  
But I'll be leaving  
As soon as the sun comes up  
Are you gonna come with me someday?  
I'm going, I'm going

You know we're going to burn out this way  
But we'll be lighting the sky  
Tell me you wanna be famous someday  
I see the look in your eye  
You know we're going to burn out this way  
But we'll be lighting the sky  
On and on, we keep on dreaming  
In the end, you won't forget my name

You know we're going to burn out this way  
But we'll be lighting the sky  
Tell me you wanna be famous someday  
I see the look in your eye  
You know we're going to burn out this way  
But we'll be lighting the sky  
On and on, we're always dreaming  
But inn the end you won't forget my name

We're always dreaming

But in the end you won't forget my name  
You won't forget my name  
You won't forget my name...
