

Break My Strings

ONE OK ROCK

Boku no teashi kara nobita kyokusen
kyou mo itsuno ma ni ka yuurishite
furikiru yoryoku sae mou boku no naka nya
mijin mo nakute
nobashita hidarite doko made yuku no?
migite wa tada furueteiru no ni...

I break my strings hikaru hou e
tied on my skin so hard, you tell me what to do
you'll never reach out to my soul
I'll burn your skin so hard, desire in my hand

Surudoku sabita knife wo shinobaseta
ano koro no jibun ni wa modorenakute
dou kou itta tte doushiyou mo nai tte
jibun ni ii kikasu hibi...
ima wa tada dekiru kagiri no
jibun no omoi wo sarake sasu dake sa

I break my strings hikaru hou e
tied on my skin so hard, you tell me what to do
you'll never reach out to my soul
I'll burn your skin so hard, desire in my hand

I break my strings michibikare
I got the reason why, enough with all of lies
you'll never reach out to my soul
you know, you know, desire in my hand

I break my strings hikaru hou e
tied on my skin so hard, you tell me what to do
you'll never reach out to my soul
I'll burn your skin so hard, desire in my hand

I break my strings michibikare
I got the reason why, enough with all of lies
you'll never reach out to my soul
you know, you know, desire in my hand
