ONE OK ROCK

Yeah, they tried to stop me, but it was too late  
Oh, there's no interfering my fate  
They were trying to hold me in every way

And overcame adversity

With my head high, my  
Make a stand with my head high, my  
I'm not afraid of love, I'm not afraid to try  
I'm not afraid to fly  
With my head high, my

Oh-oh-oh-oh  
Oh-oh-oh-oh  
With my head high, my  
Make a stand with my head high, my

With my head high, my  
Make a stand with my head high, my  
I'm not afraid of love, I'm not afraid to try  
I'm not afraid to fly  
With my head high, my
