

# Konzatsu Communication (?????????)

ONE OK ROCK

It's like you  
Here I am  
It's been since 1988

We are alive for a moment  
Konzatsu shiteru mainichi  
Are mo ari de kore mo ari  
Ageku no hate ni nandemo ari? There's no option?

Kuusouteki na IMITE-SHON  
Itsudatte It's on my way  
Kagirinaku hateshinai  
Shimai ni ochi ni ochitekunosa Where are you going?

Always had some trouble with pressure and connection  
Senryakuteki kourayku wa? I guess nobody knows  
Souyatte kyou datte You can't fool me

It's like you  
Here I am  
It's been since 1988  
We got everything to take off now  
You're thinking the same way

We fight for a moment  
Kankakuteki ni mainichi  
Are ga kou de dakara kou  
Sonna rikutsu ya riron dake jya There's no way out

Toppatsuteki na IMITE-SHON ga  
Itsudatte It's on my way  
Kagirinaku hateshinai  
Shimai ni ochi ni ochiteitte You can't go back

It's like you  
Here I am  
It's been since 1988  
We got everything to take off now

It's like you  
Here I am  
It's been since 1988  
I've been taking this way all the time  
Taking this way again and again  
We got everything to take off now  
You're thinking the same way
