

# Memories

ONE OK ROCK

Watch'n outer space I see them shine  
Crazy stuff like this it blows my mind  
So many times, waking up to the radio  
I'm breaking out of the safety of radio  
When did I stop searching for miracles?  
It's bad enough when nobody helps

Memory Memory now  
You are nothing but a  
Memory Memory now  
You're burning out  
Utsurikawari iku sedai kōtai  
Atooi wa shinai shin sedai  
Memory Memory now  
Go on and fuck yourself

Miageta yozora no sukurīn ni wa  
Kazoe kirenu hodo no hikari ga  
Ima mite iru sono kagayaki wa mō  
Boku ga umareru haruka zen mukashi no  
Kako no sugata sorenanoni kyō mo  
Yatsu wa boku ni hikatte miseru!

You're just a Memory Memory now  
You are nothing but a  
Memory Memory now  
You're burning out  
Utsurikawari iku sedai kōtai  
Atooi wa shinai shin sedai  
Memory Memory now  
Go on and fuck yourself

Don't wanna be a has-been  
Never gonna happen  
Not like you  
Don't wanna be a has-been  
Never gonna happen  
Not like you  
Don't wanna be a has-been  
Never gonna happen  
Not like you  
Don't wanna be a has-been  
Never gonna happen  
Not like you  
Don't wanna be a has-been  
Never gonna happen  
Not like you  
Don't wanna be a has-been  
Never gonna happen  
Not like you

Memory Memory now  
You are nothing but a  
Memory Memory now  
You're burning out  
Utsurikawari iku sedai kōtai  
Atooi wa shinai shin sedai  
Memory Memory now  
Go on and fuck yourself
