ONE OK ROCK

Here with you now I am good, still miss you
I don't know what I can do, we can't be true

Mitasareru koto naku futari no kyori
Chijimatte iku tabi setsunai

Afure dashita omoi tsunoru da ke de
Ouh It's hard for me to say

'Cuz we, we can see how it's gonna end
But I got my love for you
Moshimo konomama kimi wo wasureru koto ga de ki tara

Nante omoeba omou hodo ni
Kimi wo wasureru koto nante boku ni wa de ki ru hazu mo nakute
We always wish tonight could last forever
I can be your side

I shouldn't be in your heart
Either the time we have spent
And I want you to know what the truth is
But sometimes it makes me feel so sick Oh no
I just can't say to you, No I won't

O-o-oooh

'Cuz we, we can see how it's gonna end
But I got my love for you
Moshimo konomama kimi wo wasurete shi mattara

Nidoto ai suru koto mo nai kana
Boku wa hontouni sore de kokoro kara shiawase to ieru kana
Yes, we always wish tonight could last forever
I can be your side
