

# Shake It Down

ONE OK ROCK

Life is full of ups and downs  
I keep on searching for permanent security and satisfaction  
We sometimes get great achievement and encounter disappointment

Fushou bushou na kono sekai yue ni fujouri jitsuni teimei  
Sore wo damatte yari sugosu  
Sonna mainichi to wa osaraba baibai  
You kiss my ass!!

Let's shake it down  
Get it up!  
What I am doing is what you're thinking now  
Everybody nanimokamo topparatte  
Let's shake it down  
Get on up!  
Madamada korekara let's dance  
Kata ni wa hamarazu you shake it down

One day, the sun is shining  
It makes me feel alive and makes me so rash  
Another day, the sky is so dark  
I'm here crying alone looking down all the time

Fushou bushou na kono sekai yue ni fujouri jitsuni teimei  
Sore wo damatte yari sugosu  
Sonna mainichi to wa osaraba baibai  
I come from nowhere, I'm now here  
You know what I mean?

Let's shake it down  
Get it up!  
What I am doing is what you're thinking now  
Everybody nanimokamo topparatte  
Let's shake it down  
Get on up!  
Madamada korekara let's dance  
Kata ni wa hamarazu you shake it down

This is your life suki na you ni sawaide ware wasurete

Let's shake it down  
Get it up!  
What I am doing is what you're thinking now  
Everybody nanimokamo topparatte  
Let's shake it down!  
Get on up!  
Madamada koko kara let's dance  
Yoko wa kimi sezu you shake it down
