

# Stuck In The Middle

ONE OK ROCK

What we finally found wasn't what we wanted  
Wish I could have gone to where we started

Back to black I can't see what's around me  
Back to black hope to gain some control

I gave up everything

I tried to have it all  
And I'm stuck in the middle  
I couldn't have it all now I'm alone  
And I've been down and out  
Now I'm stuck in the middle  
I'll never get to say this is enough

Now I'm left with nothing  
Now I'm left with nothing  
Now I'm left with nothing Now

Teniireta mono de kowashite munashiku natte  
Tebanashite mitara mitade mata hoshiku natte  
No kurikaeshi de hamatte nuke rarenakute kidzuku to  
Toki sudeni ososhi kira reta kippu ni furidashi no moji

I tried to have it all  
And I'm stuck in the middle  
I couldn't have it all I'm alone now  
And I've been down and out  
Now I'm stuck in the middle  
I'll never get to say this is enough

Now I'm left with nothing now

Now I'm left with nothing

I gave up everything

I tried to have it all  
And I'm stuck in the middle  
I couldn't have it all now I'm alone  
And I've been down and out  
Now I'm stuck in the middle  
I'll never get to say this is enough

Now I'm left with nothing  
Now I'm left with nothing  
Now I'm left with nothing  
Now

Now I'm left with nothing
