## **Stuck In The Middle**

## **ONE OK ROCK**

What we finally found wasn't what we wanted Wish I could have gone to where we started

Back to black I can't see what's around me Back to black hope to gain some control

I gave up everything

I tried to have it all And I'm stuck in the middle I couldn't have it all now I'm alone And I've been down and out Now I'm stuck in the middle I'll never get to say this is enough

Now I'm left with nothing Now I'm left with nothing Now I'm left with nothing Now

Teniireta mono de kowashite munashiku natte Tebanashite mitara mitade mata hoshiku natte No kurikaeshi de hamatte nuke rarenakute kidzuku to Toki sudeni ososhi kira reta kippu ni furidashi no moji

I tried to have it all And I'm stuck in the middle I couldn't have it all I'm alone now And I've been down and out Now I'm stuck in the middle I'll never get to say this is enough

Now I'm left with nothing now

Now I'm left with nothing

I gave up everything

I tried to have it all And I'm stuck in the middle I couldn't have it all now I'm alone And I've been down and out Now I'm stuck in the middle I'll never get to say this is enough

Now I'm left with nothing Now I'm left with nothing Now I'm left with nothing Now

Now I'm left with nothing
