

Take What You Want

ONE OK ROCK

Take what you want
Take what you want and go

I don't want anything in our broken home
Not the memories or the things we own
Not the picture of us on the wall
So take what you want

Can you hear me□
I'm trying to hear you
Silence strikes like a hurricane
Now I'm singing for you
You're screaming at me
It's hard to see your tears in the pouring rain

Take what you want
Take what you want and go / x3
Just go now just go, go, go

Still remember a time when you felt like home
You and me up against the great unknown
You were my life, now you're out of my life
Yeah I guess that's life

Can you hear me□
I'm trying to hear you
Silence strikes like a hurricane
I'm singing for you
You're screaming at me
It's hard to see your tears in the pouring rain

Take it
No reason for me to hold on
(Look in my eyes I'm letting go)
Keep it
Don't need it, don't need it, don't need it□
Take what you want, take what you want and go

Can you hear me□
I'm trying to hear you
Silence strikes like a hurricane
Now I'm singing for you
You're screaming at me
It's hard to see your tears in the pouring rain

Take what you want, take what you want and go
Can you hear me□
