

# Wasted Nights

ONE OK ROCK

Must be something in the water  
Feel like I can take the world  
Throw the weight up on my shoulders  
Cause I won't even feel the burn

Don't be afraid to dive  
Be afraid that you didn't try  
These moments remind us why  
We're here, we're so alive

Let's live like we're immortal  
Live just for tonight  
We'll think about tomorrow, yeah  
When the sun comes up  
Cause by this time tomorrow  
We'll be talking 'bout tonight  
Keep doing what we want, we want, we want  
No more wasted nights

The record spinning we don't notice  
Fill this room with memories  
Everybody's chasing something  
But we got everything we need

Don't be afraid to dive  
Be afraid that you didn't try  
These moments remind us why  
We're here, we're so alive

Let's live like we're immortal  
Live just for tonight  
We'll think about tomorrow, yeah  
When the sun comes up  
Cause by this time tomorrow  
We'll be talking 'bout tonight  
Keep doing what we want, we want, we want  
No more wasted nights

I don't wanna wait I don't want to waste a night  
I don't wanna wait I don't want to waste a night  
I don't wanna wait I don't want to waste a night  
I don't wanna wait I don't want to waste a night

Let's live like we're immortal  
Live just for tonight  
We'll think about tomorrow, yeah  
When the sun comes up  
Cause by this time tomorrow  
We'll be talking 'bout tonight  
Keep doing what we want, we want, we want  
No more wasted nights

I don't wanna wait I don't want to waste a night  
I don't wanna wait, no more wasted nights
