

## We Are

ONE OK ROCK

They think that we're no one  
We're nothing, not sorry  
They push us  
It's too late, it's too late  
Not going back

They think we are made up  
Of all of our failures  
They think we are foolish  
And that's how the story goes

They stand for nothing  
They're lifeless and cold  
Anything they say  
Will never break our hearts of gold

When you're standing on the edge  
So young and hopeless  
Got demons in your head  
We are, we are  
No ground beneath your feet  
Not here to hold you  
'Cause we are, we are  
The colors in the dark

Now covered in madness  
But they just can't hurt us  
They tell us were nothing  
Keep walking and let it go

They are the weakest  
And don't even know  
Anything they say  
Will never break our hearts of gold

When you're standing on the edge  
So young and hopeless  
Got demons in your head  
We are, we are  
No ground beneath your feet  
Not here to hold you  
'Cause we are, we are  
The colors in the dark

Never tell yourself  
You should be someone else  
Stand up tall and say  
I'm not afraid, I'm not afraid

So never tell yourself  
You should be someone else  
Stand up tall and say  
I'm not afraid, I'm not afraid

When you're standing on the edge  
So young and hopeless  
Got demons in your head

We are, we are  
No ground beneath your feet  
Not here to hold you  
'Cause we are, we are  
The colors in the dark
