

# Do It Alone

## One Tree Hill

Hello, can I say  
That there's something wrong with this place  
I've got time, just to waste  
If you would be my new escape

So then I say can't find a lover  
Well there's no other way of pulling me under  
Cause it's gotta be fate if we're under the covers  
It's all gonna be A-OK, A-OK

I don't want to do it alone  
I'm beggin' you  
I don't wanna do it, do it, do this all...

Alone, we can dance  
In your bedroom with no romance  
I got time, just to waste  
If you would be my new escape

So then you say won't be another  
But you give it away cause you wanna discover  
That it's gotta be fate if we're under the covers  
It's all gonna be A-OK, A-OK

I don't want to do it alone  
I'm beggin you  
I don't wanna do it alone  
I'll tell you what  
I don't wanna do it alone  
I'm beggin you  
I don't wanna do it, do it do this all...

1, 2, 3, 4, 4, 3, 2, 1

I don't wanna do it alone  
I'm beggin you  
I don't wanna do it alone  
I'm beggin you  
I'm beggin you  
I'm beggin you  
I'm beggin you

I don't want to do it alone  
I'm beggin you  
I don't wanna do it alone  
I'll tell you what  
I don't wanna do it alone  
I'm beggin you  
I don't wanna do it, do it do this all...

Alone, can I say  
That there's something wrong with this place  
I've got time, just to waste  
If you would be my new escape  
So then I say can't find a lover  
Well there's no other way of pulling me under  
Cause it's gotta be fate if we're under the covers

It's all gonna be A-OK  
It's all gonna be A-OK, A-OK

(I) don't wanna do it alone
