

Everywhere you go, perfection follows you the wrong direction  
And you will never see if for you get all that you need and more  
You see it, you want it, you find it, it's yours

But you can't say what you want or take what you want or  
Choose the moods that you fake when you want  
You said your life needed something special  
Which you don't have, yeah well aren't you glad

The only 1 of 5, exception the child of your pride is deception  
And on your list of things to do is make me fall in love with you  
You find one, you want one 'cause I'm one, who plays, yeah

You can't say what you want or take what you want or  
Choose the moods that you fake when you want  
You said your life needed something special  
Which you don't have, yeah

You can't say what you want or take what you want or  
Rest and wake anyway that you want  
You said your life needed something special  
Well, here I am, yeah, yeah well aren't you glad, yeah, yeah

Now you got it bad  
I know you do, yeah, yeah

You can't say what you want or take what you want or  
Choose the moods that you fake when you want  
You said your life needed something special  
Which you don't have, yeah

You can't say what you want or take what you want or  
Rest and wake anyway that you want  
You said your life needed something special  
Well, here I am, baby and aren't you glad, yeah, yeah

Well, aren't you glad, yeah, yeah, yeah  
And, aren't you glad, yeah, yeah, yeah, yeah
