

Everywhere you go, perfection follows you the wrong direction
And you will never see if for you get all that you need and more
You see it, you want it, you find it, it's yours

But you can't say what you want or take what you want or
Choose the moods that you fake when you want
You said your life needed something special
Which you don't have, yeah well aren't you glad

The only 1 of 5, exception the child of your pride is deception
And on your list of things to do is make me fall in love with you
You find one, you want one 'cause I'm one, who plays, yeah

You can't say what you want or take what you want or
Choose the moods that you fake when you want
You said your life needed something special
Which you don't have, yeah

You can't say what you want or take what you want or
Rest and wake anyway that you want
You said your life needed something special
Well, here I am, yeah, yeah well aren't you glad, yeah, yeah

Now you got it bad
I know you do, yeah, yeah

You can't say what you want or take what you want or
Choose the moods that you fake when you want
You said your life needed something special
Which you don't have, yeah

You can't say what you want or take what you want or
Rest and wake anyway that you want
You said your life needed something special
Well, here I am, baby and aren't you glad, yeah, yeah

Well, aren't you glad, yeah, yeah, yeah
And, aren't you glad, yeah, yeah, yeah, yeah
